Frequent asked questions

IEHP teams up with community agencies to assist families in Riverside and San Bernardino counties.

The IEHP Community Partners Network meets every other month at IEHP. The network includes approximately 100 representatives from community-based organizations, service agencies, clinics and schools.

Community Partners share healthcare news, resources and discuss how to enroll uninsured children in a health program which they qualify for. Most of all ? attendees bring their specialty to connect and collaborate on ways to help families in the Inland Empire.
